At the close of the opera, it is the intention to give a social dance. About twenty persons, other than members of the company, have signified their intention of going, and others who may wish to go should see Prof. Garlich in regard to reduced railroad fare. A rehearsal of the opera will be held at Lloyd's opera house next Monday evening. The entertainments given under the direction of Prof. Garlich are always enjoyable, and the Lexington people who attend are sure to feel satisfied.
